IMPORTANT REMINDERS:

- The competition schedule will be posted on our website the week of the event and will be updated daily. There will be FINAL printed schedule available the day of the event at the admissions table. Please review this carefully as there may have been a few small time changes.
- There will **not** be a designated area to store your team and/or athlete's personal belongs. Please do not block public hallways or walkways trying to get athletes ready for the event.
- All athletes competing must have a signed medical waiver on file in order to participate in the competition.
- Only wrist banded coaches and team personnel will be allowed in the warm-up area and coach's hospitality room.
- Spectators, please do not save seats and be respectful of the judges and photographer's space. There will be a small family seating area in front of each performance and should only be occupied during your family/friend's performance.
- Spectators are allowed to video tape their team's performances only. High speed action photography & telephoto lenses are NOT permitted. Your team(s) can be disqualified for not following our photo policies.
- The KI Center has requested that athletes wear shoes or other footwear while walking around the buildings.
- Remember that all music, attire, and moves should be family appropriate.
- We will do our best to stay on schedule, however be sure to take note of the order and not just the time as we may go ahead or fall behind (hopefully not the latter). Solo and stunt group sessions tend to run ahead of schedule. If the competition is moving faster than the time noted on the schedule, the awards for each session will be moved up. Be sure you are back at the arena at least 30 minutes prior to awards.
- Please be sure to review all COVID safety measures.
- Due to a special event at the Hyatt, there will only be ONE entrance into the KI Center. All other conference center and hotel doors will be locked. Please see the map for directions from the parking ramp into the correct competition entrance located at the corner of N. Adams Street and Elm Street.
