

COVID SAFETY REGULATIONS

- Everyone must wear a mask at all times, including all spectators, staff, judges, and athletes. Athletes will be required to wear their mask at all times as well, during warm-ups, both on the performance floor and off, and during awards.
- Everyone is expected to remain social distanced from anyone not from their direct household. Chairs have been set apart 6' apart to ensure social distancing in the audience. Families from the same household may move chairs together but should remain 6' from everyone else.
- There will be sanitation stations located throughout the venue. Please be sure to utilize the hand sanitizers and disinfectant wipes.
- All chairs will be sprayed down with a medical grade disinfectant prior to the start of the competition. If you'd like to wipe your chair down, there will be disinfectant wipes at the sanitation stations located throughout the venue.
- Any athlete or spectator with a fever or showing any COVID symptoms should not attend this event.
- Coaches will temperature check their athletes upon arrival. Athletes with a temperature of 100.4° should be immediately sent home.
- There will be smaller sessions and more awards sessions to alleviate crowding.
- Due to COVID concerns and to allow for cleaning in between session, we ask that everyone exit immediately after their session awards are over.
- Credit cards are preferred over cash for all transactions to help the spread of germs. Advance ticket sales will be available on our website www.thebowtour.com starting next week.
