Please review carefully for any small time changes.
- Only wrist banded coaches and team personnel will be allowed in the backstage of the KI Center which will be designated for team warm-ups. Only athletes and coaches will be allowed in the warm-up areas, please plan accordingly to have your athlete ready prior to arriving.
- All athletes competing must have a signed medical waiver (either the digital or paper copy) on file in order to participate in the competition.
- There will be a VIP section for family seating in front of each performance and should only be occupied during your family/friend's performance. Spectators, please do not save seats and be respectful of the judges and photographer's space. There will be event staff clearing this section after each performance.
- Spectators are allowed to video tape their team's performances only. High speed action photography & telephoto lenses are NOT permitted. Your team(s) can be disqualified for not following our photo policies.
- The KI Center has requested that athletes wear shoes or other footwear while walking around the buildings.

- We will do our best to stay on schedule, however, be sure to take note of the order and not just the time as we may go ahead or fall behind (hopefully not the later). Solo and stunt group sessions tend to run ahead of schedule. If the competition is moving faster than the time noted on the schedule, the awards for each session will be moved up. Be sure you are back at the arena at least 30 minutes prior to awards.
- There will be a limited grab-and-go concession stand from 9:30 am to 4:00 pm. If you are at the event through dinner time, there is a restaurant and coffee shop located inside the attached Hyatt, as well as restaurants within walking distance of the KI Center.
